BATTERY CABLE CONNECTOR

Quick Connect Plug · 50 amps · 12V · 8 Gauge · Polycarbonate · Gray

PART NUMBER
QRP57-704

OVERVIEW

Swapping a battery should take seconds, not a socket set. QuickCar Battery Quick Disconnects put a proper connector on both ends of the cable, so batteries and chargers come on and off without unbolting anything. All required connectors are included.

A 2-pin gray connector for 8 to 6 gauge cable, rated at 50 Amp and designed to fit 8 AWG. Sold individually.
