INFORMATION STICKER

Switch Panel · 16 Various Functions · 5 or Less Switches · Quickcar Switch Panel

PART NUMBER
QRP50-004

OVERVIEW

A row of unmarked toggle switches is a guessing game at speed. QuickCar Switch Panel Labels put a clear function beside every switch so the driver's hand finds the right one the first time, and the panel still looks professionally finished. This kit covers the same sixteen accessory functions in a smaller format that fits many of QuickCar's switch panels or mounts directly to a dash.

Choose it where panel real estate is tight.

SPECIFICATIONS

Sold As	**Each**

SHIPPING & PACKAGING

Package	**4.1 × 3 × 0.45 in**
Ship Weight	**0.01 lb**
Country of Origin	**USA**
