IGNITIONS AND ELECTRICAL › WIRING HARNESSES › FULL WIRING HARNESS

WIRING KIT

Ignition / Battery · Heavy Duty · Battery Cable / Battery Disconnect / Solenoid / Switch Panel / Terminals · 2 Gauge

PART NUMBER
QRP50-230

OVERVIEW

QuickCar Wiring Kits gather everything a car needs to be wired properly into one box, so nothing is missed and nothing has to be sourced twice. Fine-stranded rope-lay copper carries current better than ordinary cable, and the insulation is rated past 220 Degree F to survive the heat and fluids of a race car. This kit is built around 2 gauge battery cable and the 50-053 switch panel, with the 50-201 wiring harness, 57-010 battery cable kit, added clamps to secure the cable, a 55-009 battery switch, and a 50-430 starter solenoid.

SPECIFICATIONS

Gauge	**2 Gauge**
Sold As	**Kit**

SHIPPING & PACKAGING

Package	**16.2 × 10.5 × 6.7 in**
Ship Weight	**9.56 lb**
Country of Origin	**USA**
Vehicle Type	**Car**
