WIRING KIT

Ignition / Battery · Premium · Battery Cable / Battery Disconnect / Solenoid / Switch Panel /
Terminals · 4 Gauge

PART NUMBER
QRP50-232

OVERVIEW

QuickCar Wiring Kits gather everything a car needs to be wired properly into one box, so nothing is missed and nothing has to be sourced twice. Fine-stranded rope-lay copper carries current better than ordinary cable, and the insulation is rated past 220 Degree F to survive the heat and fluids of a race car. This kit is built around 4 gauge battery cable and the 50-020 switch panel, with the 50-200 wiring harness, 57-009 battery cable kit, added clamps to secure the cable, a 55-009 battery switch, and a 50-430 starter solenoid.

SPECIFICATIONS

Gauge	4 Gauge
Sold As	Kit

SHIPPING & PACKAGING

Package	16.2 × 10.5 × 6.7 in
Ship Weight	7.2 lb
Country of Origin	USA
Vehicle Type	Car
