WIRE STRIPPING TOOL

8-18 Gauge · Adjustable Strip Length

PART NUMBER
QRP50-393

OVERVIEW

Nicked strands and frayed ends are the hidden cause of a lot of electrical gremlins, and they usually trace back to stripping wire with the wrong tool. This stripper takes the technique out of the job. A single squeeze grips and strips in one motion, with a tension loaded wire grip holding the wire in shape while knife-like blades cut only the insulation.

The heavy-duty 6 Inch pliers include a bolt-on depth adjustment for repeatable results.

SPECIFICATIONS

Gauge	**8-18 Gauge**
Sold As	**Each**

SHIPPING & PACKAGING

Package	**11.2 × 8.05 × 1.35 in**
Ship Weight	**0.88 lb**
Country of Origin	**USA**
Vehicle Type	**Car**
