REPLACEMENT KEY

Battery Cut Off Switch · Aluminum · Red Paint · QRP Battery Disconnect

PART NUMBER
QRP55-006

OVERVIEW

QuickCar Battery Disconnect Replacement Key provides a direct replacement for the removable handle used with the QuickCar 55-030 Master Disconnect Switch. Ideal for replacing a lost, damaged, or worn key, it restores convenient operation of the existing battery disconnect without requiring replacement of the complete switch assembly. Durable aluminum construction is designed for repeated use, while the bright red finish makes the disconnect control easy to identify in the vehicle.

Purpose-built for the compatible QuickCar master disconnect, this replacement key provides a simple, cost-effective way to keep an existing battery cut-off system functional and ready for use.

SPECIFICATIONS

Color	**Red**
Material	**Aluminum**
Sold As	**Kit**

SHIPPING & PACKAGING

Package	**7.05 × 4 × 0.6 in**
Ship Weight	**0.09 lb**
Country of Origin	**USA**
Vehicle Type	**Car**
