TIRE PRESSURE GAUGE HEAD

0-20 psi · Glo · Quickcar Tire Pressure Gauges

PART NUMBER
QRP56-0022

OVERVIEW

QuickCar Tire Gauge Heads are the same instruments racers have trusted for years, sold on their own for rebuilding a gauge, replacing a damaged head, or building a setup around a preferred hose and chuck. A 2-1/2 Inch face keeps the needle readable at arm's length in the pit lane. Dry face with a glow in the dark dial for late races and dim pit areas, reading 0-20 PSI.

Sold each.
