GAUGE SHOCK RING

Rubber · Blue · QuickCar Premium Tire Gauges

PART NUMBER
QRP56-003

OVERVIEW

A dropped tire gauge is usually a dead tire gauge, because the movement inside does not survive the impact. A rubber boot absorbs that hit for a fraction of the cost of the gauge. This blue shock ring fits QuickCar's 2-1/2 Inch mechanical air gauges.

Sold each.

SPECIFICATIONS

Color	**Blue**
Material	**Rubber**
Sold As	**Each**
