TOOLS › WHEEL AND TIRE TOOLS › TIRE PRESSURE GAUGES

TIRE PRESSURE GAUGE

Economy Digital · 0-100 psi · 2 in Diameter · Black Face · 1/2 lb Increments

PART NUMBER
QRP56-070

OVERVIEW

A digital gauge shrugs off the drops and vibration that kill analogue movements, and it removes any argument about where the needle was pointing. This is QuickCar's economy digital option. It reads 0-100 PSI in 1/2 pound increments, shuts off automatically to save battery, and comes on a 14 Inch hose with a 45 Degree chuck for tight valve stems.
