TOOLS › HAND AND OTHER TOOLS › SCHRADER-TIRE VALVE STEM TOOLS

VALVE STEM CORE TOOL

Aluminum · Red Anodized

PART NUMBER
QRP56-100

OVERVIEW

A valve core that will not come out cleanly turns a two minute job into a ruined stem. A dedicated core tool grips properly and does not round the core off. Machined from billet aluminum with a red anodized finish, compact enough to live in a pocket or a pit cart drawer.

SPECIFICATIONS
