TIRE CHUCK

Ball Style · Brass · QuickCar Tire Gauges

PART NUMBER
QRP56-9002

OVERVIEW

Air chucks live in awkward places, and a straight chuck simply will not reach a valve stem tucked behind a wheel spoke or up against bodywork. These QuickCar chucks are shaped for the tight spots, with 1/4 Inch NPT threads. A compact 90 Degree ball style chuck for the tightest positions of all.
