BATTERY TERMINAL ADAPTER

5/16-18 in Thread · Side Mount · Copper · Gold Plated

PART NUMBER
QRP57-665

OVERVIEW

Side-mount batteries are awkward to connect properly, especially when more than one cable has to land on the same post. These terminals solve both problems at once. 24k gold plating gives optimum conductivity, and a long bolt and stud accepts multiple or thick power ring connectors.

Designed for GM-style side-mount batteries and sold in pairs.

SPECIFICATIONS

Finish	**Gold Plated**
Sold As	**Pair**

SHIPPING & PACKAGING

Package	**4.5 × 3.5 × 0.95 in**
Ship Weight	**0.23 lb**
