BATTERY TERMINAL BRACKET

Remote · Bent · Aluminum · Black Anodized

PART NUMBER
QRP57-709

OVERVIEW

Charging posts bolted to a panel with hand-drilled holes rarely end up square, and crooked posts look exactly as rushed as they were. A purpose-made bracket fixes the geometry before anything is drilled. This 90 Degree bent bracket comes with pre-drilled mounting holes and suits a firewall or the inside of a trunk, carrying the 57-703 remote charging posts, which are sold separately.

SPECIFICATIONS

Terminal Style	**Battery**
Material	**Aluminum**
Finish	**Black Anodized**
Shape	**Bent**
Sold As	**Each**

SHIPPING & PACKAGING

Package	**9.05 × 5.5 × 1.25 in**
