FIREWALL JUNCTION

2 Hole · 3/8-16 in Stud · Plastic · Red

PART NUMBER
QRP57-803

OVERVIEW

Passing a 12 volt feed through a firewall is where a lot of good wiring jobs turn into a chafed cable and a short. A proper panel terminal makes it a sealed, mechanical connection on both sides of the panel. A red pass-through post with nickel-plated 3/8 Inch studs, rated to a maximum of 250 amps.

SPECIFICATIONS

Color	**Red**
Location	**Firewall**
Sold As	**Each**

SHIPPING & PACKAGING

Package	**4.45 × 3.5 × 1 in**
Ship Weight	**0.2 lb**
Country of Origin	**USA**
Vehicle Type	**Car**
