BRAKE BIAS GAUGE

Replacement · Liquid Filled · 0-1500 psi · Mechanical · Analog · White Face · Aluminum

PART NUMBER
QRP611-90

OVERVIEW

Some pressures are best read right where they are made. QuickCar mini 1-1/2 Inch gauges are small enough to mount directly on the component, and the liquid fill adds durability in a race car environment.

This is the replacement mini brake bias gauge: a liquid-filled 0-1500 PSI mechanical gauge with an aluminum case and white face.
