PRESSURE SENDING UNIT

1/8 in NPT Male Thread · 0-100 psi · Brass

PART NUMBER
QRP63-230

OVERVIEW

A gauge is only as accurate as the sender feeding it, and a mismatched transducer will read confidently and wrongly all night. QuickCar senders are matched to QuickCar gauges; contact the QuickCar sales or tech team to confirm compatibility before ordering. An oil or water pressure transducer reading 0-100 PSI with 1/8 Inch NPT thread.

Mount pressure senders away from direct engine heat and vibration wherever possible.
