AIR CLEANER NUT

Thumb Screw · 5/16-18 in Thread · O-Ring · Aluminum · Natural

PART NUMBER
QRP64-149

OVERVIEW

A wing nut that needs a tool is a wing nut that slows down an air cleaner change, and one without a seal lets unfiltered air past. This thumb screw nut solves both. Machined aluminum in a raw mill silver finish, fitting 5/16 Inch-18 threads and supplied with an O-ring seal.
