TAPE MEASURE

Deluxe · 12 ft Length · 0.75 in Width · Inch

PART NUMBER
QRP64-703

OVERVIEW

Toe and other setup checks need a tape that stays straight when it is extended, not one that folds over halfway across the car. This one is rigid enough to hold its own line. A 3/4 Inch wide tape measuring up to 12 Foot, suited to checking toe in and out and general shop and trackside work.

Sold individually.
