STAGGER GAUGE

Measures 65 in to 115 in · 1/4 in Increments · Square Tube Design · 1/4 in Thick Arms · Aluminum · Black Paint

PART NUMBER
QRP64-706

OVERVIEW

Stagger has to be checked repeatedly through a night, and a tape wrapped around a hot tire is slow and inconsistent. A box style caliper takes the reading in one movement. Machined from aluminum and covering a 65 Inch to 115 Inch range, it opens across the tread patch at proper pressure and holds the largest reading.

Sold each.
