INTERIOR AND ACCESSORIES › REAR VIEW MIRRORS AND COMPONENTS › REAR VIEW MIRRORS

MIRROR

Rear View · Wide Angle · 17 in Wide x 2.5 in Tall · Plastic · Black

PART NUMBER
QRP66-757

OVERVIEW

A convex mirror shows a driver the whole track behind rather than one narrow slice of it, which is the difference between knowing where a car is and guessing. Black plastic construction keeps weight down while aluminum mounting tabs take the load. Roll bar mounting brackets are not included.

17 Inch wide by 2-1/2 Inch tall.
