STEERING WHEEL

17 in Diameter · 2.5 in Dish · 3-Spoke · Black Rubberized Grip · Steel · Black Paint

PART NUMBER
QRP68-004

OVERVIEW

QuickCar Steering Wheels provide drivers with a comfortable, responsive interface for maintaining precise control of racing and performance vehicles. Designed for competition environments, the wheel provides a secure gripping surface that helps the driver make smooth steering inputs and quick corrections while maintaining confident control during demanding track conditions. Purpose-built construction provides the durability needed for repeated racing use while integrating with compatible racing steering components and disconnect systems.

Ideal for new race car builds, cockpit updates, or replacement applications, QuickCar Steering Wheels provide the direct, dependable connection between driver input and vehicle steering needed for consistent control on the track.
